

# PCYC

PCYC (Police Citizens Youth Clubs) was established in 1937 by Police Commissioner William John Mackay. It was a partnership forged with the community via Rotary to provide young people with a safe and positive alternative to the streets. Over 75 years later that vision has grown and PCYC NSW is now one of Australia's leading youth focused organisations.

PCYC are focused on the reduction of crime by and against young people and on the promotion of citizenship within communities across the state. This is achieved through the provision of an extensive and varied range of fun, safe activities for young people and the wider community.

PCYC would like to extend an offer to CSU Business Students to undertake a work placement with their organisation.

---
